Sleeping Boy Unhurt

Car Hits Home

Sammy Kerbel, 13 years old, son of Coach and Mrs. Joe Kerbel, escaped with only a bloody nose Thursday night of last week when a runaway car smashed into the bedroom in which he was sleeping in the Kerbels' Hunsley Hills home.

The car, a late model Lincoln Continental, belongs to A. W. Lair, 19 Southridge Drive, Hunsley Hills.

Here's how it happened. Greg Lair, 16 years old, son of Mr. and Mrs. A. W. Lair, his sister, Susie, and friends, Mike Wood and Bob Bettencourt were decorating Greg's car for Canyon High School homecoming in the back portion of the Lair's driveway.

Greg pulled the Continental up on the sloping Lair driveway in position so the lights could be used during the decorating work. He put the automatic gear shift in park position and got out.

As he walked away from it, the car began rolling backward out of the driveway. He gave chase but the car got away from him and then rolled forward across the Bill Adams lawn just east of the Lair home.

Greg was able to grab hold of the car at one point but could not hold on. The car rolled across his foot but did no apparent injury.

The heavy car careened on down the hill gaining speed as it went and smashed into the west wall of the Kerbel home.

The gear shift was still in park position when the car came to a stop with its front end protruding through a huge hole in the wall of the Kerbel home.

The accident was blamed on a mechanical malfunction. The accident occurred about 11:30. Mrs. Kerbel said she and her husband had just retired. Sammy and the four other Kerbel children living at home already were asleep.

"It sounded like an explosion," said Mrs. Kerbel. "Joe thought an airplane had hit the house or a hot water heater had exploded."

"We could hear Sammy screaming. His door was shut. Joe ran into the room and he saw the headlights of the car in the room. The lights were on."

"We saw Sammy. He was covered with blood. It scared us to death. And then he told us he wasn't hurt."

The car had hit the foot of Sammy's bed and flipped it around. The Kerbel boy was thrown from the bed and under a desk across the room.

"I was in bed asleep," Sammy related. "Then all of a sudden I was in the air."

Sammy admits he was a little scared at that point.

Coach Kerbel said that had the car not hit a beam in a partition it might have rammed on through the house with tragic results.

"This could have been real serious," said Kerbel. "It is a blessing and we feel real fortunate that no one was hurt."

Kerbel said a hole about six feet wide and about five feet high was opened in the wall of the bedroom by the impact. The front of the car protruded through the hole. No estimate was available on damage to the house. Considerable damage was done to the front of the car.

Wilford Taylor Fatally Injured

A pioneer Canyon businessman was fatally injured Friday night of last week when he was struck by a car about 3 1/2 miles south of Hereford on US 385.

Wilford Taylor, Sr., 79 years old, died about 8:30 o'clock Saturday morning, some 12 hours following the accident.

Investigating Highway Patrolman Charles Moore said Mr. Taylor had stopped his pickup on the east side of the highway about 8:05 o'clock and crossed the road to buy some produce.

After buying the goods, Mr. Taylor and the man who sold him the produce were carrying it back across the highway to the pickup.

At that time, a late model station wagon driven by Robert Kolencik of Hill Air Force Base in Ogden, Utah, approached from the south heading toward Hereford.

Kolencik is reported to have told officers that he saw one man but did not see Mr. Taylor in time to miss him. Kolencik swerved his vehicle but the right edge of his bumper struck Mr. Taylor, inflicting severe leg and head injuries. No charges were filed in connection with the accident.

Mr. Taylor was rushed to Deaf Smith County Hospital. He died there Saturday morning.

Funeral services were held Monday afternoon in Canyon First Methodist Church with Rev. Newton Barnes, pastor officiating. Burial was in Dreamland Cemetery under direction of N. S. Griggs & Sons Funeral Home of Amarillo.

Funeral home included Jack Nunley, Larry Rawles, Macky (See TAYLOR, Page 11)

Sewerage Plant Said Inadequate

Canyon's present sewage treatment plant is inadequate to meet the needs of the city, City Engineer Bill McMorris said last week.

McMorris, speaking to city commissioners concerning the possibility of expanding the present treatment facilities or moving to a new location, suggested four major plans that might be followed.

One plan, the move recommended by McMorris to be the least expensive, would involve a new 1.25 million gallon treatment plant at the present location and was estimated to cost about one-quarter million dollars.

Alternate plans suggested could cost as much as \$500,000, McMorris explained.

The contact stabilization plant at the present location would increase the population design from 4,900 to 17,400 and should be adequate until 1985, he

CANYON HIGH SCHOOL HOMECOMING QUEEN, Gayle Swatzell, is shown here with her football hero twin brother, Phil. Gayle was crowned queen at pre-game ceremonies preceding last Friday night's Eagle game with Tucumcari. Phil ran back the first Tucumcari punt 75 yards for a touchdown. During the game he gained 114 yards rushing and made 11 tackles as a linebacker. He was named player of the week. They are children of Mr. and Mrs. Phil Swatzell, Sr.

Miss Swatzell Homecoming Queen

Jere Gayle Swatzell, daughter of Mr. and Mrs. Phil Swatzell, Sr., was crowned 1967 Homecoming Queen for Canyon High School at ceremonies Friday.

Miss Swatzell, who was escorted by Stan James, was crowned just prior to the annual homecoming football game at Buffalo Bowl.

The homecoming queen saw her twin brother, Phil, run the first Tucumcari punt all the way for a Canyon touchdown. Phil did an outstanding job on both offense and defense all evening.

Other queen candidates were Bea Thompson, Candy Gerald and Joyce Ann Hoover.

Miss Swatzell is secretary of the CHS Senior Class, a member of the Foreign Language Club, National Honor Society and has earned two letters in girls' athletics.

Last season she was named all-district basketball guard and served as captain of the girls basketball team. Miss Swatzell is also a senior Girl Scout, member of the First Baptist Church and was junior class favorite and secretary.

Miss Gerald, daughter of Mr. and Mrs. Charles E. Gerald, is senior class reporter, student council secretary and choir treasurer.

She has lettered two years in girls' athletics and is a member of the Foreign Language Club. Miss Gerald participates in the Christian Church youth program and helped develop a Teen Town for Canyon.

The daughter of Mr. and Mrs. J. A. Hoover, Joyce Ann holds memberships in Canyon Christian Youth Council, Future Business Leaders of America, Future Teachers Association, Foreign Language Club, Library Club and Art Club.

She is serving her first year on the Soaring Wings yearbook staff as co-art editor. Miss Hoover is also a member of the First Baptist Church.

Miss Thompson, daughter of Mr. and Mrs. Dudley Moore, Jr., has been a cheer leader for two years, earned election to Junior Who's Who and is on the Merit Honor Roll.

She is a member of the National Honor Society, Foreign Language Club and Drama Club. Miss Thompson is also president of the Methodist Youth Fellowship of Canyon.

Eleventh Is Out At Present Time

A grade crossing of Fifteenth Street across US Highway 60 may become a reality by 1970, according to City Manager Paul Davis.

Canyon city commission is expected formally to request Texas Highway Department cooperation in effecting the crossing. Davis said the matter will be taken up at a Monday night meeting of the commission. If passed, the request will be handed Tuesday morning to District Highway Engineer Chili Smith.

Davis said Developer Arch Hunsley has agreed to make right of way north of Highway 60 available for extension of Fifteenth north to Southridge Drive in Hunsley Hills.

Plans call for Highway 60 to go under Fifteenth by means of an underpass.

Davis said cost of storm sewer and curb and gutter for the project will come to about \$20,000. He said right of way must also be acquired for service roads for the highway approach.

Davis noted that the Highway Department budget for the next two years is in the process of being compiled.

Davis and Mayor Paul Lindsey conferred with District Engineer Smith and other Highway Department officials on the project Wednesday morning of this week.

They had hoped to make a request for both the Fifteenth Street project and improvement of Eleventh Street and its extension across Highway 60. Davis said the Eleventh Street extension and improvement would require an interchange at US 60.

He said he and Lindsey were told by Smith that the state would not contemplate both the Fifteenth Street and the Eleventh Street improvements in the same budget.

"He said they are too close together to be placed in the same budget," said Davis.

The city manager said 1975 now appears to be the earliest date that the proposed Eleventh Street extension and improvement can be accomplished.

Another road project was discussed in Canyon this week. West Texas State University financial Vice President Virgil Henson told a group of Texas travel counselors and members of the Highway 66 Association here Tuesday that West Texas State would dedicate a five-acre tract at the old T-Anchor headquarters as a park. The old log cabin, built in the middle 1870s, is located on West Texas State property about a half mile north of Canyon. It is the oldest surviving house in the Panhandle.

Henson said the State Highway Department, in return, would be requested to build a suitable road to the tourist attraction.

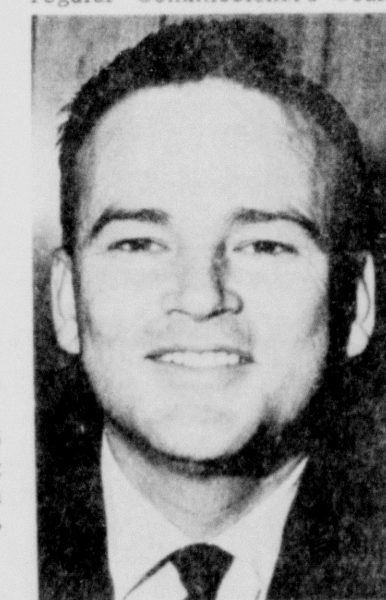

The university recently erected a chain link fence around the old house.

Henson said WT President James P. Cornette will appoint a committee to supervise the restoration and furnishing of the old ranch headquarters.

Cox Named New Judge

Elton Cox Monday was appointed Randall County judge after an understanding that he would resign within two weeks to allow commissioners to appoint a judge to serve out the unexpired term of Lloyd King.

The appointment came at a regular Commissioners Court

meeting. Judge King, county judge here since 1964, died Friday night in Amarillo following a heart attack.

Cox said he would accept the appointment with the understanding that he would tender his resignation at the pleasure of the court.

Members of the court explained that they had not had (See COX, Page 11)

Scouts Set Membership Drive Here

A goal of \$1,500 has been set for the advance gifts drive for the annual sustaining membership drive of the Randall District of the Llano Estacado Council of the Boy Scouts of America.

The advance gifts drive will get underway Tuesday, according to Benny Cooper, advance gifts chairman.

Bob Jones of Hereford, district scout executive, said that the general campaign, directed by Gene McGlasson, will open with a kickoff luncheon for majors, captains and workers October 23. The noon luncheon will be served in the American Legion Hall.

Campaign plans call for a goal of \$3,177.75 to be raised for the promotion of scouting activities in Randall District, according to Jones.

Information packets for workers will be distributed at the kickoff meeting. The general campaign is expected to be completed in about a week.

New City Hassle Over Ambulance

BY WAYNE BOARD

The question of whether Jerry LaGrone actually terminated his ambulance service for two hours last week was settled after a major hassle at a special City Commission meeting last Thursday.

Three commissioners, who passed a resolution over the objections of Mayor Paul Lindsey last week granting LaGrone a \$562.50 per month subsidy of his ambulance service, said they were unaware LaGrone had created a "technical emergency" by stating in writing his intention to stop service as he had told two newsmen.

LaGrone said the city of Quanah subsidizes Knowles Funeral Home \$350 a month for ambulance service and Hardean County kicks in another \$350 a month.

Hutchens said the city of Quanah operated an ambulance service from June 1 through August after Knowles Funeral Home quit providing the service. The funeral home began providing service again Sept. 1 on a subsidized basis.

He said the city lost between \$600 and \$700 a month. "We collected only about a third of our accounts," he declared.

"If people don't have it, you just can't get it."

He said it was necessary to run a two-man shift of 12 hours each in order to provide service. "Our police department helped out some too," he said.

"If you can get anybody to handle it for you, you'd better do it," Hutchens went on. He said that besides the financial loss to the city, the strain on the nerves of city officials in operating an ambulance service is great.

Custom In Many Cities

After operating an ambulance at a loss for three months, Quanah jumped at the chance to subsidize Knowles Funeral Home and have the private concern begin answering emergency calls again.

This information came from I. M. Hutchens, Quanah city secretary.

The Canyon News called various city managers around the state to determine customary practice after Canyon city commission voted to subsidize LaGrone Funeral Home for ambulance service.

Hutchens said the city of

There continues to be rumbly-ings that Lyndon Johnson will not run for reelection.

I'll be surprised if he doesn't. He has more power concentrated in his hands than any other man in history. Not even the Roman emperors could affect the course of history as can the President of the super-powerful US.

Armies, battleships and aircraft move at his behest. In his hands he holds thermonuclear thunderbolts.

He is visited and fawned upon by kings and statesmen of the world.

I just can't see a man of Lyndon Johnson's turn willingly laying aside all this. If my memory serves me correctly, not since early times of the nation's history has a president been denied his party's nomination when he actively sought it. He will run.

Construction
To Begin

Construction on a 72-unit apartment building in the northern section of Canyon should begin here in about two weeks. Arch Hunsley, local developer and part owner of the project, said he had been notified by Jim Crockett of Tulsa, Okla., that the apartment construction would begin in the near future. Construction time is scheduled for completion by Jan. 31, 1968.

A building permit issued for the apartment sets an estimated cost of the structure at \$600,000. Although Crockett said the entire project would be just under one million dollars.

The apartment building, Crockett said, will be one-half the size of a complex earlier planned just north of the city limits, but abandoned due to unexpected construction costs.

Crockett said the single-story apartment would have 40 one-bedrooms and 32 two-bedrooms. Exterior of the building will be of brick veneer and the roof will be shingled with wood.

The project, to front along the Hereford highway just north of 15th St., will have completely furnished apartments which will rent for \$140 to \$200 per month.

The apartments, which will have central heating and cooling, have built-in dishwashers, ranges, disposers and exhaust fans and hooders.

Other features of the apartment will include a shuffleboard and badminton court, club houses for private parties and barbecue grills around the swimming pool.

Letter To The Editor
404 Foster Lane
Canyon, Texas 79015
9 October 1967President L. B. Johnson
White House
Washington, D. C.

Dear President Johnson:

Many of our "friends" have been suggesting that we unilaterally stop bombing North Viet Nam in order to bring about peace talks faster. I would agree to this if they would send their soldiers to Con Thien to replace our Marines. Otherwise let them shut up. They are very good at passing out disadvantages to us; how about some to our adversary or to themselves?

Sure our people are tired of the war. Sure we want peace—and soon. But is peace now worth a bigger war later in the Philippines or California? We have never won before by giving in to an admitted or obvious aggressor. We should learn from history, not relieve it. To stop our efforts now would be symptomatic of our laxity, gullibility, and our unthinking mentality. Our politicians sense our tiredness, and the sense are trying to turn it into votes. They are taking a selfish short-range view, and they are not working for the long range good of our people. Their position is opportunistic; they lack discipline. I wonder how many doves we would have if we did the following: Let us stop bombing on October 20. If peace talks are not underway by January 20, let all of them resign and stay out of government. If this were the case, how many doves would we have?

All of this pecking at the deers is symptomatic of the decay of our democracy into an anarchy. There is getting to be less and less respect for the law, the police, the presidency, for anyone in authority. The President is changing from leader to whipping boy. Congress puts us further in debt and blames you for it. If you were incompetent or corrupt, such pecking would be deserved, but you are not. You are taking a course between extremes.

The overriding fact in the bombing issue is that there is not one stick of evidence that if we stop the bombing, there will be peace talks. In fact, considering your previous offers, it should be quite clear that they would have made some offer to you. And why should they want to stop the war when they are successfully holding off the greatest country the world has ever seen and when we act scared to death of Red China. Right now they are the heroes of the Asian world. Furthermore we are weakening and fighting among ourselves. They would be asinine to stop now.

Let me explain something about people. First of all they act according to the power structure, then to protect their pride, then finally according to their intellect. If all else fails, then they will be reasonable. There are few indeed who act the other way around. This is why, for example, as our educational level increases, the crime rate increases even faster. Education is less important by a considerable amount than the power structure in this matter. The power structure, as is prevents crime, has been dealt several severe blows lately. This swamps any contrary effect of education. The crime problem is going to be solved by power, not education. When the criminal gets released for one crime in six months so he can commit it again, he feels powerful and gets his pride inflated. Under these circumstances education does no good at all.

Now let us look at Hanoi's power situation. At her back is China, and we act afraid of war with Red China. Both distance and our image dictate that she should do what Peking says. Then her pride gets inflated by the praise of her comrades who are too smart to get involved in a war which can be fought by one of their stooges. With power and pride forcing her to fight, she will never listen to reason. The only thing that will be more convincing is more power. Furthermore, we must stop acting afraid of Red China. This is even more true when China has its own difficulties now.

This same answer comes out in another way. It is true that power corrupts, but unused power is diseased. That the latter is our case is clear from the recent statement by one of our allies that "we are rich

enough and powerful enough that we can afford to fight the war without bombing the north." Oh how the puppies like to bite at the heels of the big dog. It is high time that we act like the leader of the free world instead of the overgrown stupid ox that does all the work and fights all the battles of the sniping clan that uses him. If our "allies" don't like the way we are running things, let them send their men. Let us give them a vote in proportion to the fraction of their population committed in that land they think they know so much about.

Right now our little adversary thinks we are pusillanimous. Really we are trying to be magnanimous, but she is not in a power position to interpret in that way. We should fight with our hands tied only until it is clear that our fairness is disdained. Then we should take off our ties. That time has been reached. Yes, let us force a peace on the world; that is better than the U.N., which is just an organized anarchy. Let us bargain with our advantages, not give them up. By that course we won't even preserve our own freedom. Colonel Robins Olds is right when he says, "The way to end the war is to win it."

It is sad that one of the Greatest Americans ever produced, General Douglas MacArthur, had to fight the way we are now. In rejecting his leadership, Uncle Harry fired him. Our present day troubles in the Far East are a result of kicking him in the teeth. Can we never learn what is required to preserve ourselves or are we going another blind step to destruction?

Sincerely yours,
Alfred A. Kraus, Jr.

WT Coed Drill Team Formed

A West Texas State University coed drill team has been formed, according to Maj. Charles Brown, sponsor of the organization.

Maj. Brown, assistant professor of military science, said between 40 and 45 girls had indicated a desire to participate in the newly-formed program.

The coeds, he said, will practice for two weeks. The number of the traveling squad will then be reduced to 25 with an alternate number of five.

The team will probably march in competition at the University of Houston, University of Texas, Shamrock's St. Patrick's parade, and a WTSU invitational meet, although no definite schedule has been completed.

The girls will be outfitted in maroon skirts and white blazer-type jackets. The uniforms should arrive in about two weeks, he said.

Although the coeds are not in the Reserve Officer Training Corps, Maj. Brown said the ROTC would sponsor the team, and donations for uniforms are being sought.

Anyone who wishes to donate to the drill team should contact Maj. Brown at the WTSU ROTC department.

Dr. H.L. Cook Math Speaker

Dr. H. L. Cook, head of the mathematics department at West Texas State University, will be speaker and consultant for a two-day workshop in Alabama Thursday and Friday.

Dr. Cook will speak at a county-wide in-service workshop for mathematics teachers in Florence, Ala. Approaches to make teaching of mathematics more effective will be considered, he said.

Progress Films Set

A public information film showing the progress of Brent Hodges of Happy after 54 weeks of pattern therapy will be shown Tuesday at 8 p.m. in the Happy High School cafeteria.

Hodges is the son of Mr. and Mrs. S. A. Hodges of Happy. Brent suffered brain damage as an infant.

Over 100 area volunteers have been working with the youngster continuously since the project was started last summer. The pattern therapy requires three-member teams for a 40 minute period, with three periods held each day.

Mrs. Burl Sims of Happy has served as program coordinator. Mrs. Sims said that the program will also include a film "Whatever Happened to 8?" which is provided by the Institute for Achievement of Human Potential. No admission will be charged for the program and the public is invited.

Focus Week For Girl's Auxiliary

"Focus Week" for the Girl's Auxiliary of the First Baptist Church of Canyon will be observed October 16-22, according to Mrs. J. Edwin Low, director.

Activities for the week will open Monday evening at 7 p.m. with a "mother-daughter" banquet in Fellowship Hall of the church. Approximately 100 are expected for the event, according to Mrs. Low.

New GA officers will be installed Wednesday evening at 6:30 p.m. and the week will be concluded with an advancement coronation ceremony Sunday evening. GA members and their counsellors will be seated as a group at the Sunday morning services.

Revival Continues

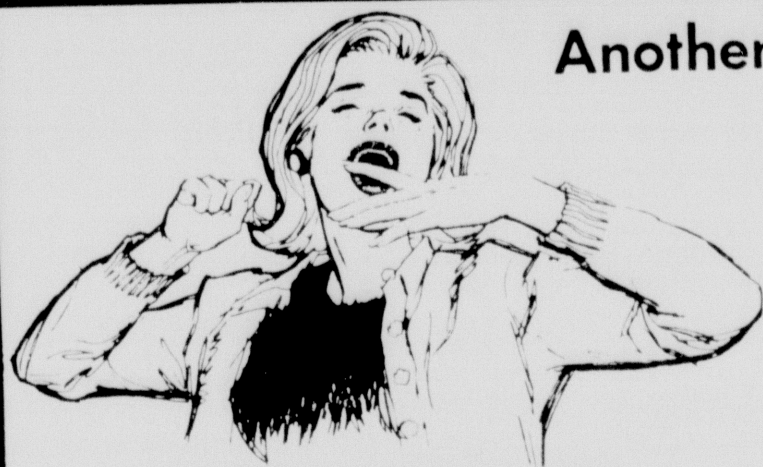

Revival services at the Central Church of Christ will conclude Friday, October 13, according to Herman Alexander, minister.

Speaker for the series of services has been Reuel Lemmons, editor for the "Firm Foundation" religious journal.

Services will be held Thursday and Friday at 7 a.m. and 7 p.m. The public is invited.

Warden Discusses Hunting Prospects

There will be little change in hunting prospects this season over the last few years in Randall County, according to Stanley McDonough, game warden for the Texas Parks and Wildlife Department.

McDonough said the dove season that closes Oct. 30 will be "poor" this year because most of the birds flew south following a recent cool spell. "We will get the usual amount of doves when they come in here from the north," McDonough said, "but that's only a day or two affair."

COC Ballots Due Oct. 16

Canyon Chamber of Commerce ballots listing a slate of eight candidates for four board of director seats must be returned to the COC office by Wednesday.

The 200-odd ballots were mailed last week to COC members, said Manager Roland Black.

Candidates for seats on the board include Bernard Warren, Tommy LaGrone, Dean House, Robert A. Bellah, Eddie Knowles, Allen Parsons, Don Max Vars and Elton Cox.

Write-in votes will also be permitted, Black said.

News Brief

CANYON CAPERS met Monday with Knox Day in charge of calling. A tip was given by LeRoy Pitt.

Visiting were Ray and Mozzelle Cartwright.

The club will observe "guest callers" night October 30.

Deer season, which is scheduled throughout Texas Nov. 11-26, will be "pretty good" especially along the rim of Palo Duro Canyon.

"It won't be like south Texas," the warden explained, "but we will have a lot of deer along the canyons."

As for turkey, McDonough said there was little hunting of the game fowl, primarily because there is not suitable range in Randall County for the birds.

There will be some turkey along the canyon, but McDonough said they would be spotted in number. Turkey season is scheduled the same as deer.

Quail season will open this year Nov. 11 and continue through Jan. 31, he continued. "We will be above the last years on the amount we have had," McDonough said of quail hunting is a lot better east and south east of here.

Randall County will have more quail this year than the average but "this is not real good quail country", McDonough stated.

Dec. 1-7 has been set as pheasant season this year.

Not many of the game birds are in Randall County, the warden said, because the pheasant tend to stay in the northern Panhandle.

Hunting licenses, which cost \$3.15 for county residents, may be purchased at the Randall County Clerk's office, Western Auto here, or at the Texas Parks and Wildlife office, 3806 Bowie in Amarillo.

The licenses are valid through Aug. 31, 1968.

Revival Underway

The Sixth Avenue Church of Christ is conducting a revival this week with Kenneth Avaritt of Harrison, Arkansas as evangelist.

Services will continue through Sunday, October 15. Week day services are set at 7:30 each evening and services on Sunday will be at 10:30 a.m., and 6 p.m.

The church is located at 305 Sixth Avenue in Canyon.

RIBBON-CUTTING CEREMONIES marking the formal opening of Canyon's Palo Duro Village Shopping Center were conducted here last week. Doing the scissor work at left is Mayor Paul Lindsey. Assisting is Ruel Nash, developer of the center.

Puccini's 'La Boheme' WTSU Fall Production

"La Boheme," an opera in four acts by Giacomo Puccini, has been selected for fall production by the West Texas State University Opera Workshop, according to Director Royal Brantley.

To be presented in English, the opera will be staged at 8:15 p.m. Nov. 9, 10, and 11 in the Branding Iron Theatre. Assisting Brantley will be William A. Moore as stage director, and Thomas Hoffman as technical director.

Principals in the cast are Joe Ella Cansler, Hereford senior, as Mimì, a young seamstress; Jerry Curry, Levelland senior, as Rodolfo, a poet; Terry Milligan, Tulsa senior, as Marcello, a painter; John Brandon, Canyon junior, as Schaunard, a musician.

Steve Hunter, Amarillo sophomore, as Colline, a philosopher; Judy Balo, Midland junior, as Musetta, a café singer;

Harold Orr, Borger senior, as Benoit, the landlord; and Tommy Simmons, Borger junior, as Alcindoro, a councillor of state.

Chorus members are Neva Chowning, Kathy Busch, Jerry McCoy, Jimmy Stewart, and Jody DeVries, all of Amarillo; Marsha Coker, Shary Kerbel, Steve Hilton, Wayne White, and David Schuette, all of Canyon; Frances Ballenger and Sharon Smith of Midland; Lee Williams and Donna Johnston of Dalhart.

Others are Vicki Autry, Earleen Sutton, Terry Trice, and Monty Prock, all of Pampa; Linda Lohr and Joe Rogers of Hereford; Margaret Hathaway of Odessa; Georgia Newell of Canadian; Mina McClendon of Floydada; Ken Senter of Petersburg; Rick Huston of Perryton; Scott Rundell of Bovina; Frank Cockrell of Miranda City; John Sharman of Falls Church, Va.

Also Larry Matheson of Claude; Linda Davis of Irving; Jan Coffman of Shamrock; Helen Collard of Spearman; Janice Brown of Kermit; Pat Lewis of Albuquerque, N. M.; Benny Hester of Waco; Brian Cox of Sweetwater; Robert Bonar of Victoria; and Ralph Jackson of Borger.

Fall Play Is Comedy

"The Male Animal," a comedy which gained great success 25 years ago and which has remained brightly popular, will be the first production of the fall season of the Branding Iron Theatre at West Texas State University.

The James Thurber-Elliott Nugent production, whose setting is a college campus, and whose story centers around the flight for freedom of expression, or "academic freedom," will be staged Oct. 18, 19, 20, and 21 at 8:15 p.m. Director is William A. Moore, and technical director is Thomas Hoffman.

Admission will be \$1.50 for adults and \$1 for students. WTSU students will be admitted free, but must present identification cards and business office receipts at the box office to receive reserved tickets.

Hours for the box office, which opens Monday, will be 11 a.m. to 5 p.m. Monday through Wednesday, and 11 a.m. until curtain time Thursday through Saturday.

Heading the cast will be Neva Chowning and Steve Hunter, both of Amarillo, as Ellen and Tommy Turner. Others are Cheryl Cramer of Albuquerque as Patricia Stanley, Gene Brannum of

Dicks King as Wally Myers, Bock Ramey of Amarillo and Martha Raymond of Tulsa as Dean and Mrs. Damon, Tommy Stansbury of Houston as Michael Barnes, John Brandon of Canyon as Joe Ferguson, Gary Tydings of Amarillo and Georgia Newell of Canadian as Mr. and Mrs. Ed Keller, Monty Prock of Pampa as Nutsy, and Jerry Woodward of Pampa as the reporter.

Not pictured on the team were Pat Szydoski Sims of Happy; Judy Boyd Thompson of Tulsa; Camille McNeill Rhodes of Abilene; Ellouise Vaughn House of Roswell, New Mexico; Charlene Wisley Dustman of Happy; Mary Kate Denny McLain of Greeley, Colorado and Willa Blackburn Cole of Amarillo.

Homecoming Activities Slated For Happy School

Coronation of the 1967 Homecoming Queen at Happy High School will be held Friday afternoon at an all-school assembly at 2:30 in the HHS auditorium. Competing for the crown are Susan McManigal, Lynda Looney and Susan McDonald. The queen will be crowned by the Cowboy football captains, Dean Bryan, Jackie Schiller and Curtis Fowler.

Miss McManigal is the daughter of Mr. and Mrs. Morlan McManigal of Happy. A senior, Miss McManigal serves as cheerleader, is active in the National Honor Society, Thespians, Future Teachers Association and the Future Homemakers of America chapter at HHS. She also plays guard for the Cowgirls basketball team.

The daughter of Mr. and Mrs. Keene McDonald, Miss McDonald is president of the Future Teachers Association, a member of the Future Homemakers of America and the National Honor Society. She serves as a cheerleader and plays guard with the basketball team. Miss McDonald is a junior.

Lynda Looney, daughter of Rev. and Mrs. Irving Looney, is a junior at Happy High School. Miss Looney is vice president of the HHS Pep Club, plays guard on the basketball team, is secretary for her class, active in the band, Future Home-

makers of America and Thespians Society.

Ex-student registration will begin at 1 p.m. at the school. Coffee will be served throughout the open house activities.

The coronation ceremony will highlight an all-school assembly which is open to the public. The program will include a pep rally and tributes to the honored classes of 1917, '27, '37, '47, '57, and '67.

Also honored during the program will be the golden anniversary class of 1917 and the

silver anniversary class of 1942 along with the BI-District Girl's Basketball Team of 1957 and their coach, Leroy Roberts.

A buffet supper will be served at 5:30 p.m. in the Happy High School cafeteria. Tickets for the homecoming supper are \$1.25 per plate.

The Homecoming Queen, her attendants, and other special guests will be honored before the game and during halftime of the Cowboy football game with Groom.

A coffee will be held in the HHS cafeteria after the game.

HHS Queen

CANDIDATES FOR HOMECOMING QUEEN at Happy High School are, left to right, Susan McDonald, Lynda Looney and Susan McManigal. The queen will be crowned in formal ceremonies Friday afternoon at 2:30 o'clock at Happy High School auditorium.

Homecoming Battle, Pokes Face Groom

The Happy Cowboys host Groom Friday night in the 1967 Happy homecoming.

The Cowboys seek to improve their 1-3 record at the expense of the visitors, who have a 1-4 mark for the year. Both teams are in Class B; but most of their losses have come at the hands of bigger Class A teams.

"Groom's linebacker Keith Fields is out of this world," states Happy Coach Sam Mayo. "Against McLean he was in on 33 tackles."

"On offense, they have a good runner and passer in quarterback Mike Helton," relates Mayo. "They operate out of the 'I' offense."

Concerning his own team, Mayo has guarded optimism. "We only have four seniors on our whole team; this makes us very inexperienced, but I think that we're coming around now with four games under our belts."

Homecoming ceremonies are scheduled to begin at the stadium at 7:30 p.m., with the opening kickoff set for 8 p.m. Happy's probable starting lineup:

CFD Helps In Search

A crew from the Canyon fire Department went to Lake Meredith near Borger Tuesday to help in searching operations for an Amarillo man who drowned Sunday.

Those from the CFD aiding in dragging operations were Capt. Joe Rice, Chief Jim Christopher, Loyd Childers, Robert Rogers, Louie Davis, Roland Hicks, Buck Reiser and Neil Rodgers.

The men took two boats to the lake.

Offense -- Ends, Steve Vernon and Joe Dempsey; tackles, Charles House and Ricky McPherson; guards, Curtis Fowler and Neil McCarley; center, Jackie Schiller or Thomas Shipman; quarterback, Don Maynard; halfback, Dean Bryan; tailback, Jesse Ramos; fullback, Zeke Frost.

Defense -- Ends, House and Dempsey; tackles, McPherson and Terry Wright; guards, Mark Moudy and Greg Pearson; halfbacks, Frost and Ramos or Bob Lee; safety, Maynard. Two of a linebacking trio of Fowler, Schiller, and Bryan will start.

WT Named Test Center

West Texas State University has been designated a test center for the National Teacher Examinations by the Educational Testing Service, according to Dr. Kenneth Waugh, director of student personnel services.

The tests will be given at WTSU Feb. 3, April 6, and July 6, Dr. Waugh said. Information and registration forms may be obtained from the office of student personnel services.

Results of the national examinations are required by many of the nation's public school systems in selecting new teachers, and in several states for certification of teachers. Prospective teachers usually take the common examinations, which measure the professional preparation and general cultural background, and one of 13 teaching area examinations.

Applications for the tests are usually required well in advance of the testing dates, Dr. Waugh said.

Dramatically new! Astro Ventilation makes the ride as quiet as it is smooth.

With special new Astro Ventilation, you get outside air through two vent-ports right on the instrument panel. Just roll up the windows, open the vent-ports and get plenty of air without annoying drafts and street noises. It's standard on

Caprice, Corvette and the Camaro Coupe (available on many other models) and it's one of the new ways Chevrolet shows greater concern for your comfort.

No better value

For '68, you also get new riding silence, thanks to Chevrolet's computer-refined suspensions. You get better performance, GM's new exhaust emission control, proved safety features (the GM-developed energy absorbing steering column,

for one) along with many new safety features.

Drive the finest

Caprice, The Grand Chevrolet, gives you new elegance everywhere. Camaro, "The Hugger," gives you smoother acceleration and more of a true sports-car feel than ever before. Come drive '68's finest—now at your Chevrolet dealer's!

Bufs Trample Rams 24-14

BY JON LOW

A 16-yard touchdown run by sophomore fullback Duane Thomas lifted West Texas State from a 10-14 deficit in the fourth quarter and sparked the Bufs to a 24-14 triumph over the scrappy but still winless Colorado State Rams in Buffalo Bowl Saturday night. The outcome of the game was in doubt until the final minute.

Thomas insured the win with 0:59 to go with a 61-yard blast that came to an end at the Ram two-yard line. Duane the Train was brought down by the third defender to jump on his back, after dragging two men with him the last part of the way. Albie Owens scored on the next play to clinch the WT victory, the Bufs' third in four games. CSU stands 0-3.

The Rams, who turned loose All-America candidate Oscar Reed for 165 hard-earned yards, were awesone in defeat.

The final scoring drive was set up by the West Texas State defense, which has improved tremendously in the past two weeks and which played a major role in the win.

Trailing 17-14 on the West Texas 21 last in the fourth quarter, Al Lavan attempted a 37-yard field goal for the Rams that could have tied the game up. West Texas linebacker Jesse Powell smashed through to block the kick, however, and turn the ball over to the Buff offense at the WT 25.

In the third period, the Buff defense was pushed back to their own two-yard line, but rose up to deny a serious CSU threat.

Leading 14-10, the Rams had driven deep into Texas territory and could have broken West Texas down with another score. Quarterback Jerry Montiel sent the brilliant Reed powering over left guard, but West Texas linebacker Billie Francis crashed into him and jarred the ball loose. Buffalo safety Steve Haterius pounced on it in the end zone for a touchdown.

Carl Heilman, a junior linebacker from McKeesport, Pa., recovered two fumbles, intercepted a pass, and was in on 13 tackles. He was named the outstanding defensive player of the game.

Haterius, in addition to the clutch fumble recovery, intercepted two passes and had a 95-yard punt return, although it was called back on a penalty.

The Thundering Herd's offensive player of the game was quarterback Roy Winters, who came into the game fourth in the nation in total offense. Winters hit on seven of 20 passes for 171 yards and upped his season's yardage to 746.

West Texas boasted two national leaders at the outset of the game. Eugene Morris, the pace-setter in rushing, broke for 101 yards, but was 51 steps below his average. Morris held only a 14-yard edge over Southern Cal's world-record sprinter O. J. Simpson last week.

Curley Watters' lead in kickoff returns may have been jeopardized, as the Rams kicked away from him all night. Watters only caught one kickoff, which he returned from deep in the end zone to the WT 17.

Thomas held down the 16th spot in national rushing. His 145 yards against the strong

Colorado State defense should promote him in the standings.

West Texas opened the scoring with 13:25 to play in the second quarter on a seven-yard sweep by Morris. The big play in the 88-yard drive of seven plays was 39-yard pass play from Winters to tight end Dan Andrews, who did some fancy running to reach the Ram seven.

Coach Mike Lude's Rams came right back to tie things up on a 64-yard march of 10 plays. Reed got the tally on

a one-yard bolt over left tackle.

With only five seconds left before halftime, West Texan Tommy Fambrough sent the Bufs to the dressing room with a 10-7 lead on a 30-yard field goal.

Colorado State struck for their only lead with 8:38 to play in the third period. Montiel kept for the final two yards on a 10-play drive that covered 52 yards, to put the Rams in front 14-10. a 26-yard stomp

over right tackle by Reed was the chief advance, and only a last gasp tackle by safety Rick Barrott prevented that one from going the distance.

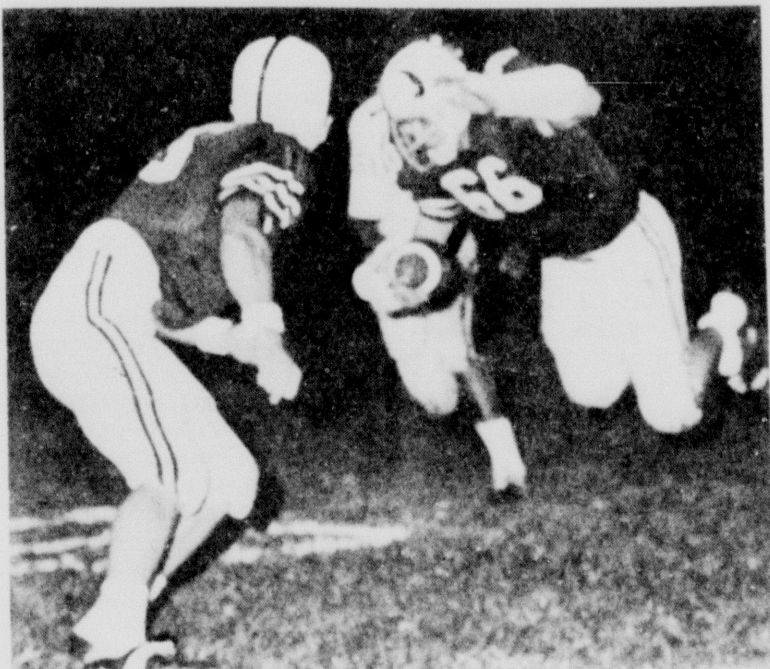

West Texas got its go-ahead score on a 45-yard thrust that used only four plays. Thomas picked all the yardage except for a 12-yard scamper by Morris. Both players turned in strong second halves to go over the 100-mark, after Duane had just 38 and Eugene 32 at the half. Thomas charged for 107 in the second half.

The insurance score by Owens finalized a 75-yard drive of five plays. Fambrough cap-

ped another perfect night of kicking extra points for the last point in the 24-14 decision. He has now kicked successfully on all 15 attempts this season.

Andrews was the leading Buff receiver with two catches for 66 yards. Dave Szymakowski also caught two, and gained 25 yards. Morris palmed one for a 42-yard advance. Flanker Charles Henderson grabbed a pass for a gain of 23, but dropped three others that were right on target.

By winning, the Bufs took a 2-1 lead in the series of cliffhangers between the two schools, and avenged a 36-25 loss to the Rams in Fort Collins last year.

TRIPPED UP at the end of his one-yard pass interception return against Colorado State is West Texas State linebacker Carl Heilman. Heilman also recovered two fumbles and was in on 13 tackles in the 24-14 Buffalo win.

Mercury Second Rushing

West Texas State halfback Eugene Morris is second in the nation in rushing this week. Morris, who gained 101 against Colorado State, was surpassed by Southern Cal's O. J. Simpson, who now leads the nation with 602 yards rushing. Morris has 557, 45 yards behind.

Buff quarterback Roy Winters is seventh in the nation in total offense with 746 yards.

Powerful WT fullback Duane Thomas vaulted from 16th to ninth in rushing with 145 yards against CSU. Thomas has now picked up 394 yards.

Opponents Undefeated

Two future West Texas State football opponents continued undefeated and untied for the season with victories last week.

The University of Texas at Arlington ran its record to 4-0 with its third one-point win in a row, a 17-16 victory over McNeese State. The Rebels have won all four games this season by a margin of only six points. They have defeated Los Angeles State 17-14, New Mexico State 15-14, and East Texas State 7-6, in addition to McNeese State.

High-scoring East Carolina rolled to its fourth straight win with a 21-8 triumph over Southern Illinois. Other wins have come against William & Mary 27-7, Richmond 23-7, and Davidson 42-17.

In other games involving Buff foes last week, New Mexico State (2-1-1) tied North Texas State 31-31, and Wichita State (1-1-1) lost to Cincinnati 14-6. San Jose State (0-2) was idle, and no score was available on Northern Illinois.

In games involving past opponents, rugged Utah State (2-1-1) upset a powerful Memphis State team that had previously defeated Ole Miss. Utah State staggered the Tigers 28-13. The University of the Pacific (1-3) lost to Montana 21-7.

down in the last 50 seconds
of the game.

"Our defense was magnifi-
cent," stated Coach Wayne
Phemister. "They only made
one first down in the last half."

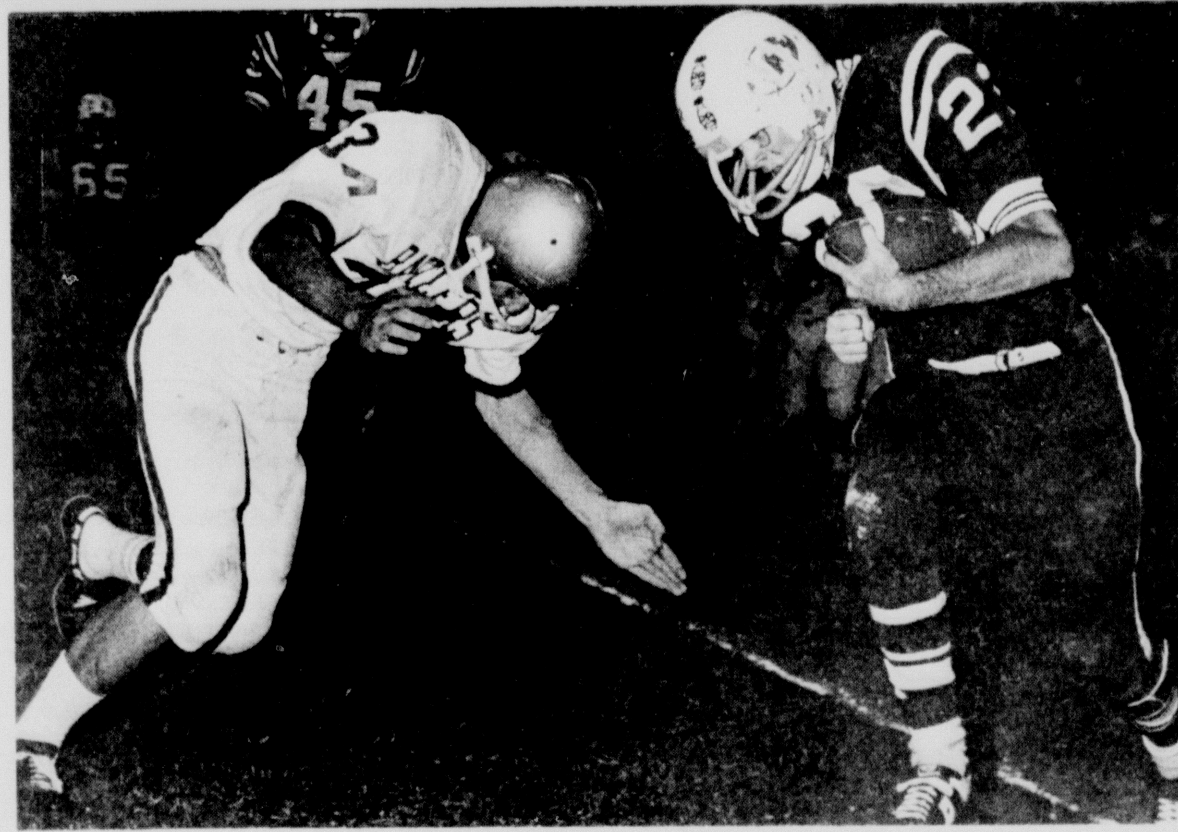

The Canyon offense moved
the ball fairly well but fum-
bled away two scoring chances
inside the Austin eight yard line.

The Eagle score came on
a 30-yard field goal by Frank
Belcher in the second quarter,
which left Canyon trailing only
6-3 at the half.

"Frank Mayfield did a real
outstanding job at cornerback,"
praised Phemister.

The Ninth Grade takes a week
off now. They have a 2-2
record.

BRACING FOR A COLLISION is Canyon quar-
terback Bob Wood, about to be hit by Tu-
cumcari's Randy Dickerson. The Eagles lost
their 1967 homecoming tilt to the Rattlers
25-12.

Rattlers Bite Eagles,
Spoil Local Homecoming

The Tucumcari Rattlers
spotted the Canyon Eagles a
12-0 first half lead before ral-
lying to darken the 1967 home-
coming celebrations with a 25-
12 victory over the Eagles.

Scoring two touchdowns just
before halftime and two more
just after, the Rattlers made
their quick scoring stand up
for their third win of the year
against three defeats. Canyon's
record is now 1-3.

Phil Swatzell got the Eagles
out in front with a sparkling
75-yard punt return for a 6-0
Canyon lead with 10:19 left in
the first quarter the first time
Canyon had the ball. The last
time Swatzell had touched the
ball in a game he raced for a
48-yard score against Law-
ton Eisenhower. On the con-
version attempt, Swatzell drop-
ped Lon Conner's pass in the
end zone.

Swatzell gained 114 yards
rushing, was in on 11 tackles,
and was named Canyon's player
of the week.

Bob Wood, playing quar-
terback for most of the game due
to an injury to regular quar-
terback Lon Conner's passing
arm, stretched the Canyon lead
to 12-0 with 2:41 left in the
half on a one-yard buck that
capped a 76-yard drive of 10
plays. The march was set
up when Canyon's Tony Gib-
son recovered a Tucumcari
fumble to stop a Rattler threat
on the CHS 24. Wood's run
for the extra points was stop-
ped a foot short of the goal
stripe.

The Rattlers did not get on
the scoreboard until there were
only thirty seconds left in the
half, and then they did it twice.
Randy Dickerson got the first
TD on a two-yard smash that
ended a 62-yard march of 10
plays. Junior Garduno's kick
left Tucumcari trailing 12-7.

Canyon took the following
kickoff and drove to their 42,
but a fumble by Wood gave the
Rattlers the ball on the Canyon
35 with four seconds remain-
ing. Making the most of his
one play, Rattler quarterback
David Chavez ended a two-
for-nine passing drouth with a
touchdown pass to little Leslie
Redden to take a 13-12 lead.
Chavez was almost dumped by
Canyon's Ronnie Russell as he
flung the pass, but downfield
Redden had beaten the Eagle
defenders and took the perfectly
thrown pass over his outside
shoulder at the three and pranced
into the end zone.

Cramming their first three
touchdowns into only 4:05 of
playing time and all of them
into a span of 6:58, the Rat-
tlers came back in the second
half to score on a 44-yard pass
from Chavez to Dickerson. Dic-
kerson was hotly contested for
the ball, but when both men
went up for the ball, only he
came down on his feet, which
he moved rapidly to the end
zone. Tucumcari got that score
after getting the ball on a Red-
den interception of a Wood pass.

The Rattlers' final score came
on a 48-yard drive of 10 plays
that started when Redden re-
covered Wood's fumble at the
Canyon 48. Tailback Phil La-
tham went the final yard for
the touchdown.

Eagles To Battle
Tough Spearman Team

The Canyon Eagles travel to
Spearman Friday night to take
on the potentially strong Spear-
man Lynx in a 7:30 p.m. clash.

The Lynx stand 2-3 for the
year after losing three of their
last four games, but are high-
ly respected by the Eagles, who
have a 1-3 record.

"If they ever start clicking,
they'll be a dangerous ball
club," warns Canyon Coach Jim
Greenwood.

The Lynx offense is design-
ed around the sweeps, with a
few dives and a reverse thrown
in, and quarterback Charles
Shieldknight doesn't mind put-
ting the ball in the air.

Shieldknight has put on 20
pounds since last year, and now
at 190, likes to roll out around
end or throw, particularly
against the flow.

The sweep plays were put
in the attack to take advantage
of halfback Bobby Smith, who
has 10.1 speed. If fullback
Hal Shufeldt can shake off an
injury, he also could give the
Eagles trouble.

Shieldknight's favorite tar-
gets are 10.1 end Mike Davis
and deep receiver Wesley Jen-
kins, while wingback Jimmy

Brown is an occasional re-
ceiver but also a threat to run
an inside reverse.

Greenwood calls tackles
Mansel Bryan and Monte Lus-
by "bigger than heck."

On defense the Lynx employ
the "Arkansas monster" align-
ment.

The Eagles are expected to
all be healthy for the Spear-
man game.

"Our morale is pretty good
because we know we played a
pretty good ball game against
Tucumcari," reveals Green-
wood. "Of course it hurts to
get beat, but we aren't looking
back."

On offense, Canyon will go
with Tony Gibson, Tommy Tuc-
ker, Chuck Hester, Chris Hull,
Dwayne Gerber, Ronnie Rus-

sell and Larry Robinson in the
line, and Lon Conner, David
Thompson, Bob Wood, and Phil
Swatzell in the backfield.

Defensively, the Eagles will
have Andy Hanson, Tucker, Tim
Van Valkenberg, Russell, and
Gibson in the line, Gerber,
Swatzell, and Gary Gilbert at
linebackers, and Teddy Walker,
Wood, and Conner in the second-
ary.

The game is the final non-
district game for Canyon. In
games involving District 1-AAA
teams, Hereford (3-2) beat Por-
tales 27-7, Dumas (3-1-1) edged
Borger 6-3, Perryton (4-0)
downed surprising Panhandle
14-0, Muleshoe (record not
available) lost 31-0 to Denver
City, and Tulia (4-1) upset Qua-
nah 29-24.

Fraternity Would Buy Buff Statue

Members of Lambda Chi Alpha, national social fraternity, announced this week that they will sponsor a fund raising drive to help buy a "Great White Buffalo" sculptured by Jack K. Hill of Amarillo.

About \$4,000 is needed to have the 8-foot statue placed atop the hill at Buffalo Stadium, according to Curtis Downs, president of the fraternity.

He said the fraternity hopes that the buffalo will be ready for unveiling by Homecoming, Oct. 28. Recognition for all donors will be given, and any person, group or company donating \$100 or more will have their name engraved on a plaque.

Downs said all donations should be sent to: "The Great White Buffalo," Box 105 W. T. Station, Canyon, Texas.

"We can't buy this ourselves and neither could most groups," he said. "We are asking the students of West Texas State and the people of the Panhandle to join in buying this for the school."

ter in moving to amend the budget because of the emergency. "I don't care what the hell he told the newspaper," declared Ritter.

The mayor said he felt the commission was "right back where we started" because there was actually no emergency because LaGrone had made a call supposedly terminating the ambulance business.

Mayor Lindsey said although he had not voted for the subsidy as was earlier reported, he had permitted his vote to be recorded as an "aye" because "I hoped things would work out alright."

"Well," said Commissioner Tom Foster, "it looks like it's just whichever way the wind blows."

"Well I'm sorry I made it seem that way," the mayor said.

"I don't necessarily mean you Paul," Foster said to the mayor. "I mean Jerry too."

A decision to call LaGrone to the meeting was then made.

"You kind of got us in hot water Jerry," Foster said. "You've got to get out of the ambulance business—not just technically but out—for there to be an emergency."

"There is an emergency only if an ambulance is needed," said LaGrone. "What comes out in the paper and what the intent is, is not always the same thing," he said after seeing copies of news stories from The Canyon News and Amarillo Daily News the mayor had brought to the meeting.

"I haven't changed my mind a bit," Commissioner Felix Pierce stated.

"Neither have I," added Ritter.

"I'm not trying to back out," said Foster, "I just don't want to do anything illegal."

"This thing was a technicality -- you told me that," LaGrone said.

"I think a letter carries more weight than what you read in the paper," LaGrone stated. "It (news story) doesn't always come out like you want it to."

"I guess it (news story) didn't rub me the wrong way," Ritter said, "because I very seldom read the Canyon paper anyway."

"You can't take the paper and compare it with a letter, in my opinion," LaGrone continued.

After Commissioner H. R. Fulton, Jr., moved that LaGrone's previous letter still be in effect "if need be," Foster asked the mayor to voice his opinions on the subsidy.

"If you want to swear me in as a witness, you can," the mayor laughed. "Read the article in the paper. I think it says pretty well what I have said several times."

The mayor had earlier stated he felt the subsidy was not the answer and that perhaps the city should operate its own ambulance service—at a loss if necessary.

"I think this would be a more fair way," Mayor Lindsey said at an earlier meeting.

"If there is a better way," LaGrone said, "I'm certainly for it. We have set up a report system in the office to keep you informed—daily if need be. Basically, because of the publicity and complaints, we have been hurt more than you have."

As LaGrone was leaving the meeting, he turned to a Canyon News reporter and said, "no offense."

CJHS Grid Season Opens With Wins

Canyon Junior High's Seventh and Eighth Grades opened their campaigns for the High Plains Junior High Conference with convincing victories at Dimmitt Tuesday evening.

The Eighth Grade posted a 40-8 landslide over Dimmitt, coming from behind an 8-6 score early in the first half. Canyon led only 12-8 at halftime.

Canyon's Seventh Grade used a strong first half to roll to a 28-0 victory.

The Eighth Grade opened their scoring on a 55-yard run by Ricky Edmondson. Clifford Prichard tallied on a six-yard jaunt for the only other first half score. John Hoover got things rolling in the second half on an eight-yard sweep.

Two long halfback passes to Edmondson sandwiched a 60-yard dash by Prichard for the rest of the scoring. The first pass was a 45-yarder from Donnie Minier and the other came on a 40-yard strike from Hoover.

Extra points came on a run by Hoover and a quarterback sneak by Chuck Wright.

The Seventh Grade scoring began with a five-yard run by Matt Hansen. Neil Currie then struck for a pair of long touch-

downs on runs of 60 and 40 yards, and an extra point run by Hansen gave Canyon a 22-0 halftime lead. Hansen got the only score of the second half on a 25-yard run.

Eighth Graders singled out by Coach Ed Reeves for defensive work were Wright, Van James, Larry Prichard, and Billy Bob Taylor. Wright turned in a strong all-around defensive game and intercepted a pass which he returned for 40 yards. "Taylor hit the best shot I've seen in two years when as the last man with a chance to make the tackle, he really unloaded a hit on the Dimmitt punt returner," praised Reeves. "Larry Prichard also hit extremely hard at linebacker and intercepted a pass."

On offense, Reeves was pleased with the overall team play, but particularly with the blocking of Mike Podzemny and Edmondson, and with the second half running of Clifford Prichard. "It really took a team effort, though," he summed up. "We just didn't make any mistakes. Dimmitt really caved in during the second half, and ended the game with minus yards rushing. Everyone played a fine game."

Seventh Graders complimented by Coach Wayne Phemister were Sammy Kerbel for his blocking in the offensive line, and Currie, Morris, Ronnie Cates, Tim Payne, and Roger Burton for defensive play.

The CJHS Eighth Grade has a five-game winning streak now, going back through a perfect season in the Seventh Grade last year.

Seventh Grade teams at CJHS have posted an unbeaten 10-0-1 record over the past three years.

Travel Counsellors Visit City, Canyon

An audience of about 250 viewed a sound and light demonstration in Palo Duro Canyon State Park Tuesday evening.

The demonstration, prepared by Bill Rhew of Amarillo and sponsored by the Panhandle

Heritage Foundation, was attended by about 50 Travel Counsellors of Texas and several members of the Highway 66 Association. Both groups were conducting conventions in Amarillo.

The show gave the audience a background look into the workings of "TEXAS", foundation-sponsored outdoor drama, and various short movies taken in the canyon.

Bob Finnicum, one of the "TEXAS" stars was master of ceremonies and Slice Rob-

inson gave a banjo solo.

The travel counsellors toured the West Texas State University Administration building, Panhandle Plains Historical Museum and the Palo Duro Canyon area.

Accompanying the counsellors was Joe Gidden and Roland Black of the Canyon Chamber of Commerce.

The demonstration was held after unforeseen technical difficulties forced a postponement of a scheduled sound and light show.

Judge King Dies, Rites Are Held

Randall County Judge Lloyd King died Friday night in St. Anthony's Hospital in Amarillo.

He had been hospitalized since suffering a heart attack Monday night of last week at his home at 4403 Tawney in South Amarillo. He was 61 years old.

Funeral services were held Monday morning in Polk Street Methodist Church in Amarillo with Dr. Harry Vanderpool, pastor, officiating.

Burial was in Llano Cemetery in Amarillo.

Pallbearers were S. T. Curtis, J. T. Brodie, Leo Miller, Jim Lumpkin, Hugh Cox, R. C. Hamilton, W. L. McConnell, Jake King and Fred Fyfe.

Honorary pallbearers were members of Texas Bar Association and Randall County commissioners.

Judge King was born June 8, 1906. He was a member of a pioneer Lipscomb County ranching family. He was graduated in 1925 from Canadian High School and received his law degree in 1932 from Cumberland University in Lebanon, Tenn. He had attended the University of Texas from 1925 until 1930.

In 1933, Judge King began practice of law in Amarillo and was city attorney and insurance adjuster.

He served as district attorney for the 47th Judicial District from 1947 to 1950. He also served briefly as judge of Amarillo Corporation Court in 1951.

Judge King owned a ranch near Canadian. He was appointed Randall County judge in 1964 by Randall County commissioners. He was elected to a four-year term in that office by Randall County voters last year.

Christy Minstrels Show Set Oct. 20

The New Christy Minstrels, folk-singing group which has won international acclaim, will appear Oct. 20 at 8 p.m. in the Fieldhouse at West Texas State University in the first of the year's special attractions sponsored by the Student Activities Council.

Tickets for the show are on sale in the Student Association office in the WTSU Student Union Building, and are available to the public. They will also be sold at the door. Admission will be \$2.00 for the general public and \$1.50 for WTSU students with identification cards.

The Minstrels, who have patterned their own contemporary singing style after a company of pre-Civil War entertainers created by Edwin "Pops" Christy, have rejuvenated interest in American folk-singing in the United States and aroused Europe's fancy with Americana.

The seven boys and two girls, who are the New Christy Minstrels, perform "en masse", and each individual has his or her own specialty which can be performed as a solo. They accompany themselves on banjos, guitars and bass, and as "Variety" put it: "the wide assortment of instruments and voices give it all a fullblown force with a captivating drive."

In addition to their many imperson and television performances, their record albums are best sellers in the United States and the group's multi-lingual renditions are in demand in Europe, Asia, and 121 other countries. Their last six albums reached an aggregate total of five million copies.

The Minstrels performed at

population.

At Tulia, City Manager Jim McAlister said the city subsidizes the hospital district \$150 a month and the hospital district uses this and an additional \$150 to subsidize Wallace Funeral Home of Tulia for providing ambulance service.

Swisher County kicks in another \$150 a month for a total of \$450. Tulia, which is declining in population, is about 6,400.

McAlister said the subsidy plan went into effect Oct. 1 and is set up for 12 months only.

Dumas City Manager H. R. Macomber said his city is subsidizing Boxwell Funeral Home of Dumas \$300 a month and the county is contributing \$350 a month for a total of \$650.

He said that although Boxwell serves Sunray, that city is contributing nothing toward subsidizing the firm.

Macomber said a city and county subsidized ambulance service has been the practice at Dumas for the past 10 years. Dumas is a city of 11,500 population.

Ed McGuire, executive secretary for the Texas Funeral Directors and Embalmers Association in Austin, said local government subsidizing of ambulance service is common practice all over Texas.

He estimated that the cost of providing ambulance service for a city the size of Canyon would run to between \$15,000 and \$20,000 a year—depending upon the type of equipment used.

He said most communities will come either to a subsidized ambulance service handled by a private firm or a service handled on a volunteer basis like small town fire departments.

He mentioned that ambulance service might be provided through the police department in event that no local firm is employed to provide the service.

McGuire said a city might try passing an ordinance, like the taxi ordinance of most cities, making it a misdemeanor not to pay an ambulance fee. But then there are cases in which the ambulance user just doesn't have the money to pay, according to the city manager of Quanah.

McGuire noted that most of the large cities of the state subsidize ambulance services. The city of Austin subsidizes Austin Ambulance Company at a rate of \$2,000 a month and gives it an exclusive franchise, he said.

San Antonio pays an ambulance subsidy of \$38,000 a year and El Paso \$32,000 a year.

the White House in 1964, and they won the first and second prizes at the San Remo Festival in Italy in 1965. They became the first folk-group to ever headline at the famed Copacabana in New York, and they brought "Hootenanny" to television. The New Christy Minstrels were the first group to have their own regularly scheduled television show when they appeared on prime time on a weekly basis during the summer of 1964.

A tour of Europe in 1965 took the Minstrels to England, France, Holland, Italy and the Scandinavian countries.

The New Christy Minstrels have introduced their contemporary style songs-and-sound to audiences of the world, including Russia, which has permitted the State Radio to play their albums. Plans are being made for the Minstrels to make a State Department-sponsored tour of the USSR in the near future.

Oldfield, Jimmy Stevens, Delbert Turk, Niles Culp, Roy Brittain and Oliver Grabbe, Employees of Taylor & Sons were honorary pallbearers.

At the time of his death, Mr. Taylor was interested with his sons, Jack and Wilford, Jr., "Buddy" in five business firms here and at Dimmitt and Hereford.

Mr. Taylor was born Aug. 1, 1888 in Denton and moved with his parents to Randall County when he was 12 years old. His father farmed 9 miles southwest of Canyon on what is now the S. O. O'Donald place.

He attended a country school near the present site of Buffalo Lake. As a young man he was interested in the grocery business, working for Foster and Redfern Grocery Store and other concerns here in Canyon.

He was married Dec. 24, 1911 to Miss Annie Cravens, whose father, M. S. Cravens, built and operated a flour mill in Canyon.

Mr. Taylor served two terms, from 1918 to 1922, as Randall County tax assessor.

Then he and the late Pat Robinson operated a market on the northeast corner of the square, at the present site of the T. A. Black store, for about two years.

Then Taylors moved to Vega in 1925 and operated a general store there until 1927. Back in Canyon, Mr. Taylor for a time dealt in cattle and farming.

In 1928 he went into partnership with Joe Friemel in a large country store in Umbarger. He continued to do considerable farming and cattle handling until the late 1930s.

Mr. Taylor bought Mr. Friemel's equity in the Umbarger store in 1935, operating it as Taylor & Sons. In 1938 he opened a lumber yard and grocery store at the present site of Taylor & Sons Discount Lumber on the Expressway.

This store was advertised as the largest country store in Texas.

Building of the Expressway in 1956 caused removal of the Canyon grocery store to its present location on 23rd Street in the vicinity of Rex Reeves Elementary School.

The lumber company is designated as Store No. 1 and the Canyon food store is Store No. 2.

Taylors bought a food store in Hereford in the spring of 1956 and it is designated as Store No. 3. Store No. 4 is known as Nifty Food Store in Hereford.

In 1961, the Taylors purchased a food store in Dimmitt and it is Store No. 5. Jack and Wilford, Jr., were associated with their father in the operation of the businesses. A third son, Dr. Lindsey Taylor, is an Amarillo orthodontist.

Manager of the Canyon food store is Delbert Turk. Jack Nunley manages the Hereford food store and Nifty Food of Hereford is managed by Wayne Shaw. Macky Oldfield is manager of the Dimmitt Store.

Mr. Taylor was active in all phases of his business until the time of his death.

He was a member of the Methodist Church, the Masonic Lodge and Kiowa Temple.

Survivors include the wife, Mrs. Annie Cravens Taylor; three sons, Jack and Wilford, Jr., of Canyon, and Dr. Lindsey Taylor of Amarillo; a brother, Jake W. Taylor of Albuquerque; a sister, Mrs. Ray Ownbey of Stinner; and eight grandchildren and one great grandchild.

DAIRY JUDGING TEAM from Randall County, which won a state championship this summer, will leave Monday for Columbus, Ohio for national competition. Team members, back row from left, Mike Hinders, Louis Hinders—team coach, and front row (l-r) Jerry Crain and Roger Gist. Another team member, Eddie Hinders, who is attending Rice will join the group for the contest.

Bufs Eye San Jose

Drill For Aerials

The pass-minded San Jose State Spartans invade Buffalo Bowl Saturday night to give the highly-improved defense of West Texas a crucial test. Kickoff time for the clash is 7:30 p.m.

After an impressive 24-14 win over rugged Colorado State here last week, members of the Buffalo football team have set to work preparing for the aerial strikes of All-America quarterback candidate Danny Holman.

The Bufs will bring a 3-1 record into Saturday night's contest. San Jose State, winless after two games, will be shooting for their initial victory. The Spartans have lost to Arizona State 27-16 and to Stanford 28-14.

"This will be the first time this season that we will face a truly outstanding passing team," warns West Texas Coach Joe Kerbel. "Our defensive secondary will receive their stiffest test. It's going to take a strong defensive effort to overcome the San Jose State attack, and our line is going to have to get Holman."

According to Dave Newhouse of the Oakland Tribune, "San Jose State's image is a gangly quarterback who can pin-point passes to blanketed receivers 30 yards upfield. But let him speak and you'll learn that there is something more important to Danny Holman. 'Do you know the last time SJS had a winning season?' inquires Holman. '1961. That long ago.' That describes the humility and the mission of the nation's number one passer."

Gary Ronberg of Sports Illustrated adds, "Danny Holman may be the best pure passer in college football today...he has demonstrated to a growing mob of professional scouts a precise buggy-whip arm that has them talking in superlatives. What may be his greatest attribute is his ability to pick up and hit alternate receivers when his original target is covered."

Last week against Stanford, Holman hit on 25 of 42 passes for 294 yards in setting two new single game records at SJS. The old completion mark was 22 of 39 against Brigham Young last season, also by Holman.

Coming off their strongest game of the season, the Buf-

aloos will be hard-pressed to duplicate Saturday night's heroics against Colorado State. Quarterback Roy Winters, who guided the Bufs on touchdown drives of 88, 45, and 75 yards, was cited by the WTSU coaching staff as the most valuable offensive player against the Rams. Winters entered the contest ranked fourth nationally in total offense with 586 yards. He now has accumulated 746 yards.

"Roy seems to improve with every game," praises Kerbel. "His execution on the option play was flawless and his passing gets better every week."

Buf halfback Eugene "Mercury" Morris, who entered the Colorado State clash as the nation's leading rusher, gained 101 yards against the seasoned Ram defense and scored his fifth touchdown on a seven yard run. Through four games, Morris has gained 557 yards rushing to surpass his 1966 total of 543 yards. The Mercury Man has also caught four passes for 131 yards.

Morris' running mate, fullback Duane "The Train" Thomas, led Buff rushers with 145 yards against the Rams. The 215-pound Dallas sophomore also scored on a 16-yard run to boost his scoring output to four touchdowns this season. Ranked sixteenth nationally in rushing this week, with 394 yards.

Either Morris or Thomas could become the first Buff to crack the 1,000 yard mark since Charles "Wire" Wright blasted out 1,203 in 1950. The mark is a school record.

While the West Texas offensive unit was chalking up 430 yards, the Buff defensive unit, headed by linebacker Carl Heilman and tackle Jimmy Campbell, were coming up with numerous big plays.

Heilman, a hard-nosed 222-pound junior, was credited with 13 tackles, one pass interception, and two fumble recoveries, while Campbell chipped in with 19 tackles.

Other defensive stalwarts were linebackers Billie Francis, who delivered the game's top defensive play when he jarred Ram tailback Oscar Reed loose from the football on the Buff one-yard line, Steve Haterius, who recovered Reed's fumble and intercepted two Ram passes, tackle Dave Whitmire, cornerback Don Tardy, and linebacker Jesse Powell.

Haterius also had a 95-yard punt return for a touchdown, but it was erased by a penalty.

"Our game with Colorado State was our most outstanding defensive performance of the year," praised Derbel. "I know that it will take this kind of team effort to contain San Jose State's great offense. The Spartans have 35 returning lettermen and some outstanding personnel. We can expect another terrific battle."

Kerbel is right, because Holman is something else.

Last season he led the nation in pass accuracy (61.5%), placed sixth in number of completions (160 for 1,925 yards) and ranked 15th in total offense. The 6-1 Spartan senior played the last five games with a protective cast on his lower back and a splint on the middle finger of his throwing hand.

According to Don Coryell, coach of the nation's number one small college team, San Diego State, "Holman can drive you stark, raving mad."

Falcons Win Smasher 20-0

Canyon's Kids Incorporated Falcons opened their race for the Prairie League championship in the majors division with a 20-0 blanking of Amarillo Oakdale Tuesday night at the Amarillo Maverick Club.

The Falcons led 6-0 at the half, before rolling to two more touchdowns in the second half to remain undefeated and unscored on for the season.

The first Canyon score came on a 40-yard bomb from quarterback Ed Lair to slotback Dennis Collier, who caught the ball over his shoulder at the Oakdale 20 and raced in for the score.

Lair darted 35 yards for a score on a quarterback sneak that was called back on a penalty, but he came right back with the same play two plays later to go 20 yards for a touchdown. Tailback Kevin Robins got the final score on an 18-yard sweep, and Gary Bednorz powered in for the extra points.

Behind the elusive runs of Robins and the running and passing of Lair, the Falcons rolled up 304 yards of total offense. Robins rushed for 111 yards, while Lair ran for 90 and completed three of six passes for 84 more. Collier grabbed two passes for 60 yards and Robins raced 24 yards with one.

Opening good holes in the offensive line were Doug Day, Alan Payne, Andy Cooper, Maurice Whittenberg, Larry Pate, Jody Moore and Mark Guill.

Defensive standouts for Canyon were Bednorz, Collier, Lair, Dale Ratliff, Whittenberg, Moore and Mark Byars.

The Falcons take a 1-0-1 record against Amarillo Southlawn Sunday in Canyon.

WT Frosh To Open Season

The West Texas State University freshman football team opens its three game 1967 schedule Thursday night when the Stompers take on the Abilene Christian 'B' team in Brownfield, Texas. Kickoff is set for 7:30 p.m. (CDT). Other opponents on the Stompers' 1967 schedule include the New Mexico State Freshman and Cameron Junior College.

The Stomper opening roster will be supplemented by seven sophomores from the varsity. These new additions include quarterback Jim Wheeler from Amarillo (Caprock), elusive halfback Aaron Banks, a 9.5 speedster, kicking specialist David Hall, defensive guard Steve Maddox, cornerbacks Gary McAtee and Dee Batts and tackle Bruce Wegman.

West Texas Freshman Coach John Fritsch looks at Thursday's opener with guarded optimism: "We have some fine material on this year's Stomper team," says Fritsch. "We will, however, be somewhat handicapped by a lack of depth which will mean several of our players will have to go both ways."

Joining Wheeler and Banks in the starting Stomper backfield will be fullback Willie Walker, a jolting ball carrier from Freeport, N.Y. Walker stands 6-3, weighs 205. Leroy Broaden, a 5-9, 148 pound speedster from Montgomery, Ala., will start at flanker.

Probable starting line candidates include split end Daryl Wynn 6-3, 185 of Follett; tight end Bob Snead, 6-3, 200 of Sweeney; left tackle Lyndal Williams, 6-1, 220 of Elk City, Oklahoma; right tackle Ross Hankins, 6-4, 280 of Lawton, Oklahoma; left guard Bill Weatherly, 6-1, 220 of Friona; right guard Stan Hansen, 6-2, 220 of Las Cruces, N. M., and center Jerry Cryer, 6-0, 200 of Austin.

The defensive unit will be spearheaded by Jackie Huff, 6-1, 236 pound guard from Post; Rick Fangman, 6-3, 210 pound tackle from Hereford; Wayne Adams, 6-6, 260 pound nose guard from Houston and Hansen.

Carnival Planned For Youths

School-age children will be entertained at an old-fashioned "carnival" to be held Halloween night, October 31, at the Junior Livestock Building.

It is sponsored by the Canyon Study Club, sororities, and civic groups have been invited to participate by operating fund-raising booths at the carnival.

"Booths should be designed primarily for school children," said Mrs. Weyman Brown and Mrs. Charles Brasher arrangements chairmen.

Local groups planning to participate should make arrangements for booth space with either Mrs. Brown or Mrs. Brasher as soon as possible.

CHURCH WOMEN UNITED from throughout the district were present for an official district meeting Friday at the First Methodist Church of Canyon. Shown during the coffee hour, left to right, are Mrs. K. C. Wilson of St. Mary's Catholic Church of Amarillo; Mrs. J. S. Singleton and Mrs. Porter Vaughn, serving, both of St. Andrews Episcopal University Center in Canyon and Mrs. J.B. McFarland, president of District II Church Women United from Amarillo.

Churchwomen Hold District Meeting Here

A district meeting for the Church Women United was held Friday at the First Methodist Church of Canyon with about 60 district members registered. Rev. Bill Kent of Kingswood Methodist Church in Amarillo gave the principal address along the theme "Open Wide The Doors". Rev. Newton Starnes, pastor of the First Methodist Church of Canyon, gave the invocation for the morning session and Father George H. Sallaway, pastor of St. Ann's Catholic Church in Canyon, gave thoughts in prayer for the noon luncheon. Rev. Baldwin Strubling, pastor of the First Presbyterian Church of Canyon, closed the service at 2 p.m. with a prayer.

Cookout Has 400

Approximately 400 persons participated in the annual "cookout" for St. Ann's Catholic Church Sunday, according to Father George Sallaway, pastor. Hotdogs and other refreshments were served throughout the afternoon. Albert Rogers and Mrs. Jesse Jones jointly won \$100 top prize at the cookout. Other prizes awarded at the affair went to Siegfried Bolte of Umbarger, a colored television; Dorothy Szydoski, a shotgun; June Podzemny, a bicycle; and Jodie Magness, a cordless electric toothbrush.

By Mrs. J. W. Wesley

Alfred Evans was honored by his daughter and grandchildren on his recent birthday. Visiting in the J. W. Wesley home Sunday were Mr. and Mrs. Arlen Wesley. Mr. and Mrs. Jim Whitson are announcing the birth of a daughter. The infant was born October 5 at Northwest Texas Hospital in Amarillo and has been named Davie Machell. Grandparents are Othell and Nig Whitson. Great-grandparents are Jim and Annie Wesley. C. R. Wesley has entered Stephensville Junior College. Lizzie Wesley visited Wednesday evening with Mr. and Mrs. J. W. Wesley. Wayside Homecoming is slated October 15. A basket lunch will be served at noon. First teacher at the school was Miss Mary McGehee Jenkins who taught all grades and had about 65 students. Mr. and Mrs. J. W. Wesley observed their 59th wedding anniversary October 7. Mrs. Lizzie Wesley and daughter, Inez Shipman, took Earl to Hereford Monday to visit with his grandson and wife, Jerry and Lillie Shipman. Mrs. G. E. Wesley had lunch Wednesday with Edna Wilson. Mr. and Mrs. Arlen Wesley were in Dallas last week end on business. Sue and Doug Sewell stayed with Kyle and Lydia.

Canyon People Attend English Dist. Workshop

Two Canyon people played key roles in a District IX workshop for English teachers held Saturday at Amarillo High School. General chairman for the workshop was Mrs. Beryl Richardson, Canyon. Mrs. Richardson teaches at Caprock High School in Amarillo. Dr. Pat Sullivan of West Texas State University was program chairman. The group heard an address on "The Semantics of Writing" by Dr. E. Debs Smith of Eastern New Mexico University. Mrs. Mary Lou Hotopp of Borger High School talked on "The Carnegie Tech English Curriculum for Able College-Bound Students in Borger High School." "The Ninth Grade Florida State Curriculum in Amarillo Junior High Schools" was discussed by Mrs. Lana White of Bowie School of Amarillo and Mrs. Mary Ruthe Carter of Amarillo's Fannin School.

BSP Chapter Has Meeting

Xi Kappa Zeta chapter of Beta Sigma Phi sorority met recently at the Jim Irwin home with Mrs. Herbert Kuhlman, president, in charge of the business session. Reports from the area convention were given by Mrs. Charles Peckenpaugh, Mrs. David Pulley, Mrs. Herbert Kuhlman and Miss Virginia Rossiter, who attended. It was re-

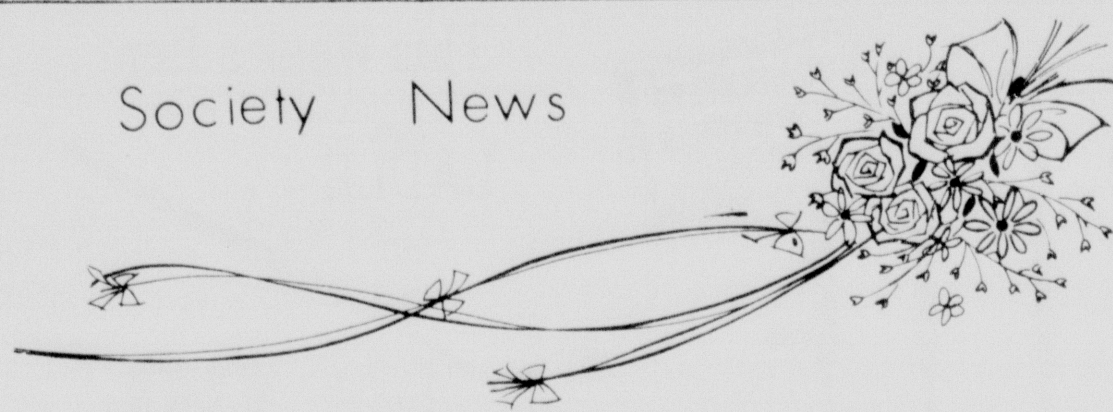

ported that the chapter was judged third place in the area for their yearbook. During the business meeting, plans were discussed for a "guest night" on October 17 and a bake sale was slated for October 27. Mrs. H. O. Stroud presented the program on "being a real person". Miss Love Weds Pitt In Tulia Ceremonies

Double ring marriage vows for Miss Marilyn Sue Love and Larry Wayne Pitt were read Thursday, October 5, in the sanctuary of the First Baptist Church of Tulia.

Dr. W. Neil Record of Plainview, Wayland Baptist College advisor, officiated at the exchange of nuptial vows.

The bride is the daughter of Mr. and Mrs. Jessie L. Love of Tulia.

Parents of the bridegroom are Mr. and Mrs. Leroy Pitt of Canyon.

Setting for the ceremony was provided by a 15-branch candelabra flanked on each side by a 7-branch candelabra, decorated with emerald greenery and white tapers. Floor baskets held arrangements of blue carnations.

Mrs. H. E. Toles, organist, presented appropriate nuptial selections and accompanied the soloist, Joe Whitten.

Given in marriage by her father, the bride wore a formal gown of peau de sole and re-embroidered Alencon lace, styled with an A-line skirt, scooped neckline, long tapered sleeves, and a detachable chapel train. Her matching mantilla was of silk English illusion and Alencon lace and she carried a cascade of blue and white carnations.

Matron of honor was Mrs. Terry Suit of Amarillo. Bridesmaid was Mickey Sue Harris

of Colony, Oklahoma, cousin of the bridegroom, and Joycelyn Kay Love served her sister as junior bridesmaid.

The bridal attendants were attired in floor length gowns of powder blue. The empire waists were accented with petals and leaves of different colors. Fashioned with square necklines and puffed sleeves, the dresses were complimented with matching shoes, short white gloves, and headpieces of blue bows over net. Each carried a colonial nosegay of blue carnations.

Eva Faye Pofahl, cousin of the bride, served as flower girl. She carried a small colonial nosegay of blue carnations. Candelighters were Cristie Greenfield of Amarillo, cousin of the bridegroom, and Belinda Anderson, cousin of the bride. Terry Boyett served as ringbearer.

Best man was Ray Irlbeck of Canyon. Groomsman was Rick Blackburn and Wayne Pitt, cousin of the bridegroom served as junior groomsman. Both are from Canyon.

Guests were seated by Randy Cook of Canyon, Danny Love, brother of the bride, and James Watson.

The bridal couple greeted guests at a reception in Fellowship Hall of the church after the wedding service. Punch and a three-tiered white wedding cake were served from the

bride's table. The bridegroom's table featured a chocolate cake, decorated with a ball and chain, and coffee. Both tables were laid with white lace over blue and centered with a blue floral arrangement and blue candles.

Assisting with reception hostilities were Mesdames Dorothy Boyett, Elmer Wood, J. T. Gunnels, Adolph Schulte, and Charlie Rousseau.

For travel, the bride wore a green bonded wool tent dress with empire waistline and a central pleat down the front. The ensemble was accented with matching shoes and a corsage of white carnations.

The couple will reside at 409 27th Street in Canyon.

A 1966 graduate of Canyon High School, the bridegroom is a sophomore math major at West Texas State University.

The bride graduated from Tulia High School in 1966 and attended WTSU for one semester. She is employed with Southwestern Investment Company in Amarillo.

A rehearsal party was held at the dining rooms of Piggly Wiggly in Tulia with the bridegroom's parents as host and hostess for the occasion. Tables were laid with white cloths and decorated with arrangements of white carnations featuring blue satin bows.

RAINBOW GIRL officers were installed in ceremonies Saturday afternoon at Masonic Lodge Hall in Canyon. Left to right are Marsha Rockwell, Faith; Susan Read, worthy associate advisor; D'Lynne Bellah, worthy advisor; Shelly Brillhart, Charity; and Judy Sykes, Hope.

Miss Sanford Marries Presley In Ceremony

Miss Sharon Louise Sanford pledged marriage vows with Ronnie Presley in nuptial rites read October 5 at the Assembly of God Church in Canyon.

The bride is the daughter of Mr. and Mrs. Wayne Sanford of Canyon. Parents of the bridegroom are Mr. and Mrs. Clarence Presley of Dalhart.

Rev. A. J. Pettit, pastor, officiated at the exchange of double ring vows. Appropriate nuptial selections included "Because" and "Whither Thou Goest".

The church was decorated with a single large candelabrum at the altar flanked by two smaller candelabra and baskets of white gladioli and greenery.

Given in marriage by her father, the bride wore a formal white satin gown accented with white beaded pearls and imported Chantilly lace. The train was attached to the empire waistline and the long sleeves terminated in bridal points above the wrist. Her shoulder length veil of bridal

illusion was held to a beaded rose tiara. The bridal bouquet of white feathered carnations was carried atop a white Bible.

Rita Jo Parkhill served as maid of honor and Carol Gerber as bridesmaid. Pam Sanford and Dorothy Presley served as candelighters. Debbie Phelan was flower girl.

The bridal attendants were dressed identically in floor length gowns of pink satin with elbow-length sleeves. A scalloped strand of tiny beads highlighted the empire waistlines. Each wore a pink headpiece with gathered net featuring a rose in the center. They wore white wrist gloves and carried bouquets of chrysanthemums with dyed to match satin heels.

Best man was John McBride. Jody Richardson served as groomsman and Danny Keller was ringbearer.

For her daughter's wedding, the bride's mother wore a cream colored dress with green

shoes and hat. The bridegroom's mother wore a beige dress with matching floral coat and brown accessories.

A reception in Fellowship Hall of the church honored the couple after the ceremony. The bride's table featured white lace over pink. Miss Marsha McQuiston served the cake and Mrs. Mark Andrews presided at the punch bowl. Guests were registered by Mrs. Ronnie Roberts.

For a wedding trip to points in Colorado and New Mexico, the bride travelled in a bright orange suit with beige accessories.

The bride is a graduate of Canyon High School.

A graduate of Dalhart High School, the bridegroom attended Northrop Institute of Technology at Inglewood, California. He is a senior at West Texas State University, where he is a member of Phi Delta Theta fraternity.

Nuptials Solemnized In Paxton, Illinois

Miss Mary Lou Johnson and Charles F. Werner were united in marriage September 13 at the Church of Christ in Paxton, Illinois with Rev. Vern Barr officiating.

Mr. and Mrs. Mack Johnson of Paxton, Ill. are parents of the bride. She is a graduate of Canyon High School and attended West Texas State University before moving to Paxton in 1966. At WT, the bride

was active in the Buffalo Gals service sorority, Mu Phi Epsilon national music sorority, Mary E. Hudspeth honor society; Alpha Chi national honor society and the Joseph L. Gilmore mathematical society.

The bridegroom is the son of Mr. and Mrs. Albert Werner of Paxton. He is a graduate of Paxton schools and is a contractor with Werner Brothers in Paxton.

Double ring vows were read before an altar flanked with potted palms and baskets of gladioli and mums in pink and white tones. Pews were marked with white bows and a white satin aisle cloth was used.

Mrs. Don Robertson, pianist, accompanied the bride's sister, Sue Johnson, who sang "Because" and "The Lord's Prayer".

Given in marriage by her father, the bride wore a formal length gown of chantilly lace. The fitted bodice had a sabrina neckline and was embroidered with seed pearls and sequins. The long sleeves terminated in bridal points at the wrist.

The full skirt featured five tiers of lace on each side which flowed into a chapel length train. Her waist length veil of bridal illusion was held by a tiara of aurora borealis crystals and she carried a white Bible topped with a lace handkerchief, which was made by the bridegroom's grandmother for her own wedding. The bridal bouquet was a cascade arrangement of pink rosebuds with satin streamers tied in lover's knots. Her only jewelry was a single strand of pearls and matching earrings, which were a gift from the bridegroom.

The bride's sister, Sue, served as maid of honor. She wore a mint green gown with an empire waistline and a slight A-line skirt which was floor length. The bodice was outlined in white lace and the sleeves were short. She wore a matching headpiece of bows and shadow veiling. She carried a colonial bouquet of white carnations and pink rosebuds with pink and white streamers.

Bridesmaids were Miss Lindsey Nixon of Macon, Illinois and Judy West of Parma, Michigan. Both are cousins of the bride and were dressed identically to the maid of honor.

Tammy Houston served as flower girl. She wore a white floor length gown trimmed with mint green ribbon and a tiara of rosebuds in her hair.

Albert Werner, Jr. served as his brother's best man. Groomsman were Jim Lindgren and Norris Skonberg. The bridegroom's nephew, Lewis Brown III, was ringbearer. Ushers for the occasion were Danny Johnson, brother of the bride, and Doug Houston.

A reception honoring the couple was held in Fellowship Hall of the church. The couple departed the reception for a three week wedding trip to points in Oklahoma, Texas, New Mexico, Colorado, Nevada and Arizona.

The bride travelled in a gold two-piece suit dress with white accessories and a corsage lifted from the bridal bouquet.

The couple will be at home at 646 South Park in Paxton.

Rites For Brown Conducted Here

Funeral rites for Albert Little Brown, 57, were conducted Saturday at LaGrone Funeral Chapel in Canyon.

Mr. Brown died October 5 at Northwest Texas Hospital in Amarillo, where he had been a patient for one day. He was born September 5, 1910 in Ochiltree County.

Rainbows Set Events

Fund raising projects for the Happy Rainbow Assembly are being planned.

The group has set a garage sale for Saturday on the west side of Bates Supermarket in Happy. The sale will open at 9 p.m.

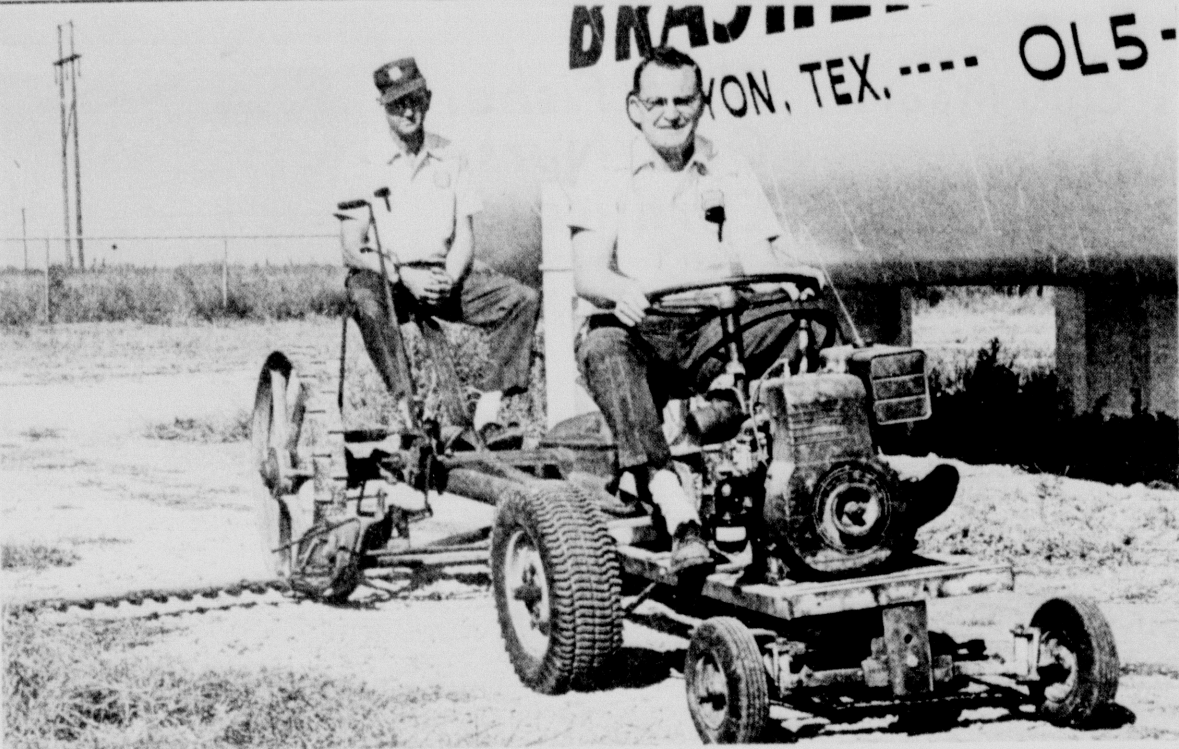

The assembly will sponsor a supper at the Happy High School cafeteria on October 27 with tickets available from members or at the door.

He married the former Elsie McCarter March 3, 1943 in Canyon. Former residents of Randall County, Brown operated a farm and dairy south of Canyon until 1958 when the family moved to Amarillo. He was employed with Plains Creamery.

Services were conducted by Rev. Strauss Atkinson, pastor of the First Baptist Church of Canyon. Interment was at Dreamland Cemetery under the direction of LaGrone Funeral Home.

Pallbearers were Hugh Kirkland, Ben Reins, Ed Fisher, Will Chisum, Morris Abbott, H. H. Hale and Russell Thompson.

Survivors include the wife of Amarillo; two sons, Bill and Jim of the home; two daughters, Mrs. Bob Hughes of Hereford and Miss Alberta Brown of Ventura, California; and seven grandchildren.

Mowers

RIDING MOWER of about 1920 vintage was in use last week at Brasher Oil Company for grounds upkeep. Lester Smith, riding the mower, says that the McCormick Deering model with steel lug wheels has a six foot blade to the side. The handmade tractor pulling

the mower was built by Oren Fisher and is driven by Charles Brasher. The unusual tractor features garden tractor size tires, a four-speed transmission, a belt-driven engine and chain-driven differential.

OL5 - Concert Campaign Nears End

Headquarters for the Community Concert Association's membership campaign has been set up at Southwestern Public Service Company in Canyon.

Workers are to report to headquarters before noon Saturday, when the drive will be concluded. A meeting of the board of directors for the CCA will be held Saturday afternoon to select additional concerts to be held in Canyon during the season, according to Mrs. Roy-

al Brantley, president.

A worker dinner was held Monday evening at the Canyon High School cafeteria with approximately 40 attending. Mrs. Lyndell Stevens was principal speaker for the dinner and a flute solo was given by Dr. Gary Garner, band director at West Texas State University.

The association memberships are \$10 for adults and \$5 for students. The local organization also has a recip-

rocity arrangement with CCA groups in Lubbock, Plainview, Clovis, New Mexico, Dumas and Hereford allowing local members to attend area concerts with their Canyon membership cards.

Contracted for the current concert season in Canyon are the Don Shirley Jazz Trio and the Beaux Arts String Quartet. Additional selections will be made at Saturday's board meeting.

Law Officers Finish School

A total of 31 law enforcement officers from throughout the area received certificates last week here for the completion of a police academy at West Texas State University.

The officers, who completed 20 hours of classroom instruction taught by members of the Department of Public Safety, were presented with certificates by Randall County Sheriff L. S. (Slim) Johnston.

The school, which offers various phases of law enforcement instruction on a two-week, two-hour-per-day basis, is sponsored by the WTSU Security Department, Canyon Police Department and Randall County Sheriffs office.

Next phase of instruction will concern juvenile cases.

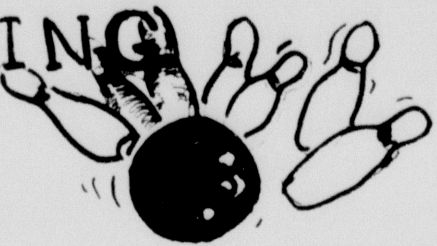

Construction Is Increasing

Building permits issued in Canyon for the month of September total \$661,050, according to City Building Inspector E. A. Collier.

The \$600,000-plus figure, which includes an apartment complex and residential additions, compares with \$381,510 for Sept. 1965 and \$49,300 for Sept. 1966.

Mission Festival Set For Lutherans

Mission Festival will be observed Sunday at St. Paul Lutheran Church of Canyon with special services slated at 11 a.m. and 2:30 p.m.

Rev. H. F. Peimann, pastor of St. John Lutheran Church in Lariat, will be guest speaker. His topic for the morning service will be "What's Right With The Church". At the afternoon service, Rev. Peimann will speak on "True to the Great Reformation Principles: The Bible Alone, By Grace Alone, and Through Faith Alone".

A native of Kansas, Rev. Peimann is a graduate of St. John's College in Winfield, Kansas and of Concordia Semi-

nary in St. Louis, Missouri. He has spent his 42 years as a minister serving churches throughout the West Texas area.

St. Paul congregation annually sponsors the special mission service to emphasize the importance of the world mission outreach of the Lutheran Church, Missouri Synod.

Rev. Samuel Nafziger is pastor of St. Paul Lutheran Church. The church is located at 2600 Fourth Avenue.

A dinner will be served at noon by women of the congregation.

Cub Leaders Gather Here

Thirty six Cub Scout leaders from five counties attended a roundtable assembly at Six Gun City near here last week.

The Cub leaders, representing the Tierra Blanca and Randall Districts, discussed what Robert M. Jones describes as the "new look in cubbing". Jones is district scout executive for the Llano Estacado Council.

In keeping with the nationwide theme of "Westward Ho" for October, the scout leaders saw a melodrama performed by an 18-member cast from Six Gun City.
